Siddhi Infra Private Limited

KM Construction Company (KMCC)

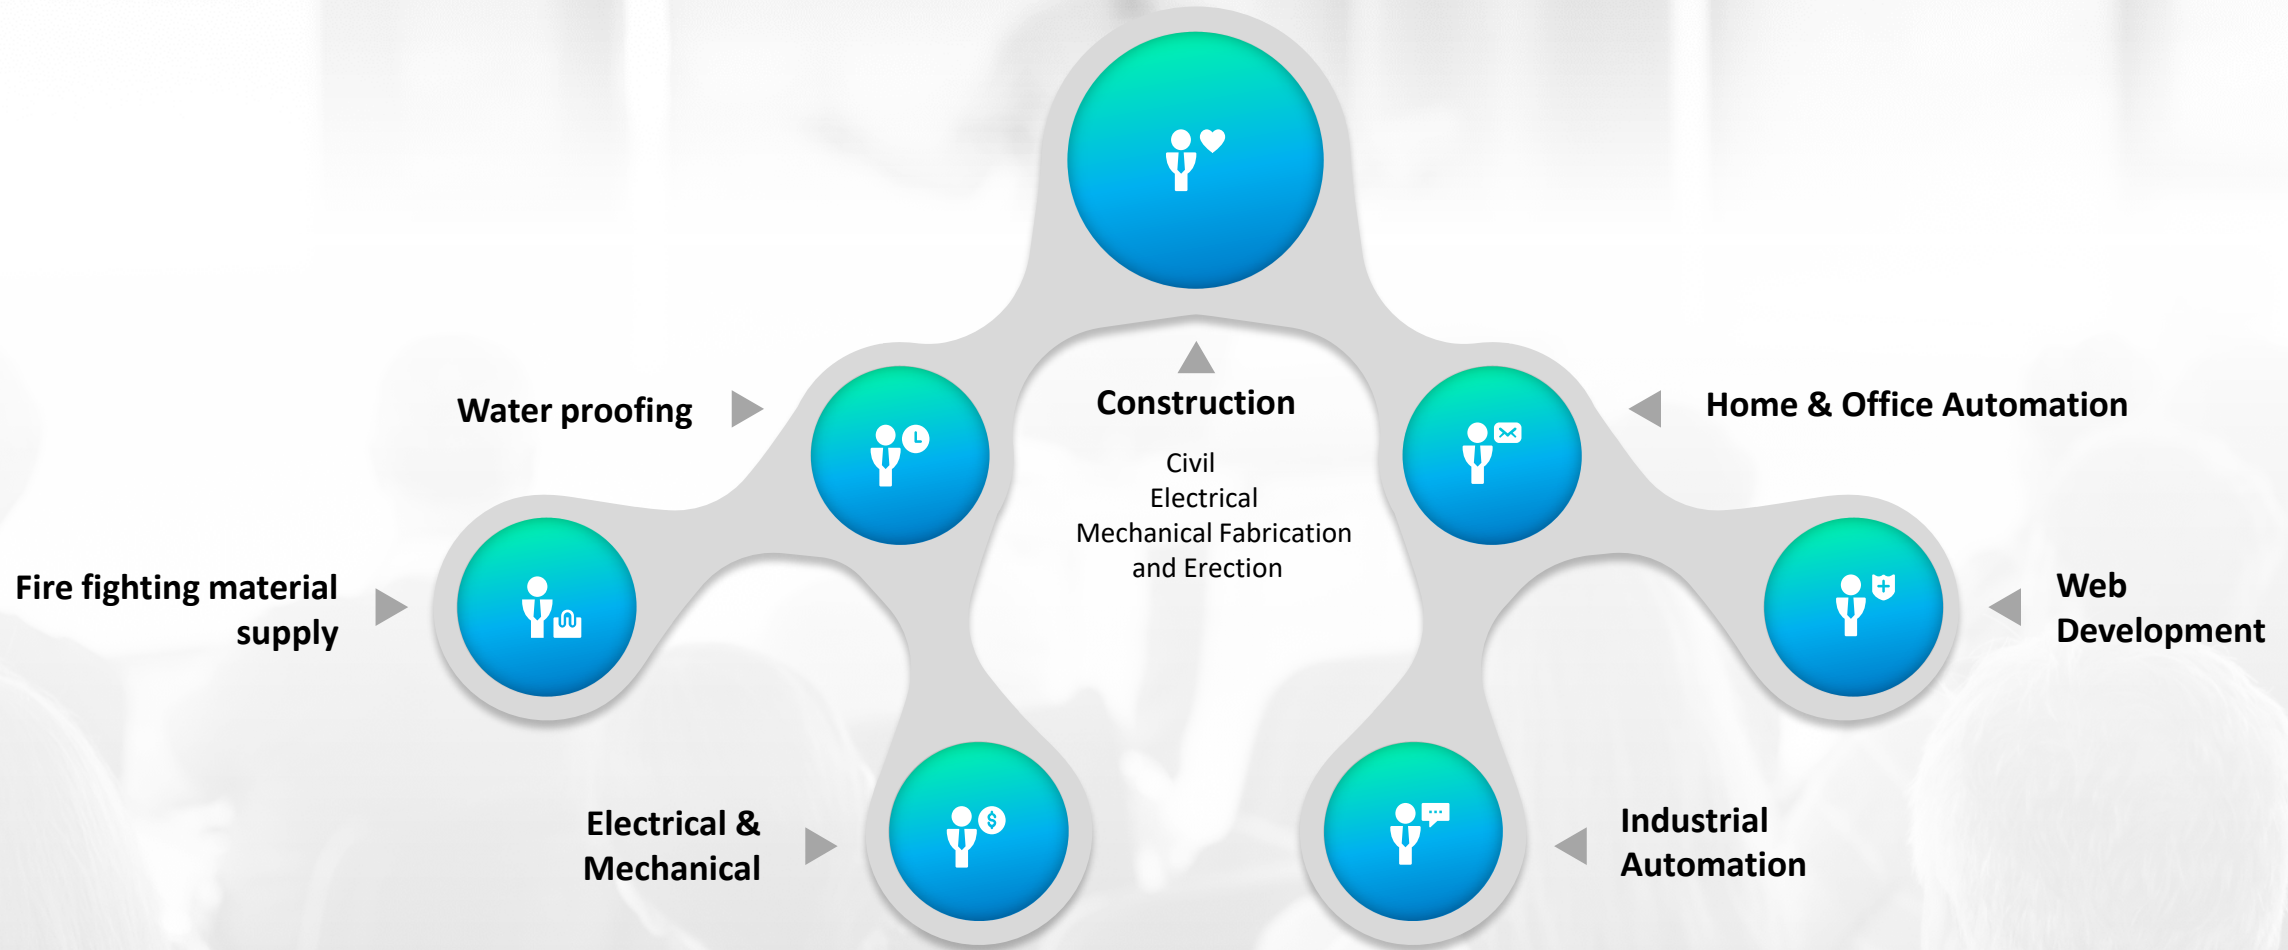

Aries India

Siddhi India was established in 2012 and having a huge experience in fields of construction we are A class Contractor at PWD, done collaborative projects with JDA and Completed Road Projects and our art work is the MBR College of Balotra and we also worked with Tata Construction for IIT Jodhpur

KMCC was established in 2013 and was working in the field of Civil work where we came in existence by constructing boundary walls, Road Work, Earthmovers, housing colony development (Siddhi Vihar, Mangalam Nagar and many more) and also made Fabrication yard. We have also developed Three handicraft factories (Pawan Art and craft, Aries Ironsmith, Aries Metal Industry) later on we combined Siddhi Infra and KM Construction and a new company came into existence which was named Aries India.
